

Hope

AMBASSADORS

VOLUNTEER PROGRAM

Breast cancer affects many people, and The Hope Chest for Breast Cancer Foundation’s mission is to provide grants to Minnesota breast cancer patients and their families, including housing, transportation, utilities, groceries, and adult/childcare.

Would you or your company team like to help The Hope Chest for Breast Cancer Foundation by providing your time and talents? Volunteer your time as a Hope Ambassador.

There will be 2- or 3-hour shifts at events to greet visitors and provide information about the Hope Chest Foundation.

- Work at our community partner events throughout the year. Provide attendees information about the Hope Chest organization.
- Assist the events committee with various needs.
- Volunteer at our signature events:
 - Registration table greeter
 - Check-in event attendees
 - Set out programs and table numbers
 - Oversee specialty areas such as the Wine & Spirits Pull, raffle distribution, and more
