## FROM THE OFFICE

### Why the Runway for Hope Event?

On April 12 we will be featuring our 6th Annual Runway for Hope event. This is a major fundraising event for the Hope Chest Foundation, raising funds to support Minnesota breast cancer patients and their families. Our goal in 2025 is to increase the grant levels for our patients, so these events become more critical in accomplishing this expectation. We know that as expenses increase for our patients, we also need to increase grant funding for them. The Runway for Hope event will help us do that.

We invite you to join us for this Spring fashion show and fundraising event to be held at The Westin Edina Galleria on April 12. We are excited to again include a special segment in the program where four patients will be walking the runway modeling the latest trends, and we will hear about their breast cancer story. Thank you for your continued support!

### The Power of Early Detection

Breast cancer screening and early detection play an important role in your health. Screening tests can help find breast cancer at an early stage when the chances of survival are highest. Whether you're ready to get your first screening mammogram or want to know more about follow-up tests after an abnormal finding, learning about breast cancer screening tests and the importance of early breast cancer detection can help you take charge of your health.

### MN Motorcycle Coalition

Hope Chest Treasurer and board member Cheryl Butz and Chair, Laura Holasek stopped by to spend time and thank our friends and partners at the MN Motorcycle Coalition at the Donny Smith Show at the St. Paul River Centre. We are very fortunate to have this great group supporting Hope Chest for Breast Cancer and Minnesota cancer patients.

### What a Success!

Thank you Crew Carwash Wayzata for being a huge supporter of the Hope Chest Foundation! The February fundraiser event was a huge success!

## Set Up a Fundraiser Event

People and businesses around Minnesota partner with the Hope Chest Foundation by creating fundraising events to support breast cancer patients while they are in treatment and enduring stressful financial need. They get creative and gather friends, co-workers, and family in fun and engaging ways, or give a percentage of services or retail sales, throw a themed party or event where a percentage of the proceeds is given back, put on a fun 5K run, sell t-shirts or merchandise, and more. Set up your own fundraiser event anytime throughout the year. Contact [foundation@hopechest.com](mailto:foundation@hopechest.com) for details.
