FROM THE OFFICE

Breast Cancer Success

June is National Cancer Survivor Month and is dedicated to celebrating and recognizing the lives of those who have survived cancer. Advances in early detection and treatment methods have significantly increased breast cancer survival rates in recent years, and there are currently over 4 million breast cancer survivors in the United States. We know the road to recovery takes physical and mental strength. We applaud our breast cancer patients and all their successes!

Maureen Scallen Failor

Meet Our Intern

Brooke Nowicki has joined the Hope Chest Foundation as our summer intern doing special projects and working on the Hope Chest Go patient project. Brooke attends Clemson University in Clemson, South Carolina; majoring in Health Science and minoring in Nonprofit Leadership & Business and is graduating December 2025. At Clemson she is on the NCAA DI Women's Rowing Team, and is involved with Paw Pal mentors, Clemson Athletes in Medicine, FCA, UPIC, and a small group leader; plus, interned with the Clemson University School of Nursing and PlaySafe.

During her free time, she loves staying active whether it is running, trying new walking trails, hiking, yoga, or lifting. She

sip beverages. A percent of the proceeds was given to the Hope Chest Foundation.

Apple Autos Oil Change for Hope

The Hope Chest staff joined Kimi from Apple Autos on May 6 at the White Bear Lake store to answer questions about the foundation's work. There were donuts and coffee, and during May customers wrote a message of hope on the car. Apple Autos donated \$1 for every oil change during May.

Partner with Us

Partner with the Hope Chest Foundation by creating your own fundraising event to support breast cancer patients while they are in treatment and enduring stressful financial need. Get creative, gather your friends, co-workers, and family for fun and

enjoys spending time with her family and friends. Plus, she loves to travel, try new restaurants, and spend time at the lake in the summer. Brooke is from Blaine, MN and graduated from Blaine High School in 2022; played varsity hockey and was a member of the National Honor Society.

Wine & Dine for Hope

Mark your calendar for the Wine & Dine for Hope event on November 5. It is a spectacular multi-course seated dinner and wine pairing event to celebrate 24 years of providing help and hope to breast cancer patients.

Wednesday, November 5, 2025
5:30 – 8:30 PM
Four Seasons Hotel Minneapolis

This intimate evening includes culinary delights, sophisticated wine pours, live music, silent and live auctions, raffle, a digital photo opportunity, wine and spirits pull, breast cancer patient stories, high-energy auctioneer, and more!

Sponsorships are available – contact Laura at lroehl@hopechest.com for details.

Resources for Patients

As funding and federal/state support continues to shift and decline for those in need, support from the Hope Chest Foundation is even more important. As breast cancer patients proceed through the journey to recovery, there are organizations we recognize as being additional resources in the areas of emotional support, medical updates, helping families in crisis, food programs, short-term emergency financial assistance.

If you know someone that could benefit from the Hope Chest Foundation and the following resources, please direct them to our website to apply for a grant.

Why Hope Chest is Here

The Foundation was founded under the idea that no one should go through cancer alone. Compassion and thoughtful conversations and communication are woven into all areas of our work, so patients know we care and are there for them.

“

“It helped us to get to and from Mayo without needing to stress and worry about gas money. It made a significant difference for us. You are angels. THANK YOU. Words will never be able to express how much of a difference you made in my life.”

-Stephani
