2025 Annual Impact Report

So much was accomplished during 2025 due to the continued efforts of our community and its donors. They stepped up to conduct successful fundraising/cause marketing events, attended Hope Chest events, secured sponsorships, volunteered their time and talents, donated to our cause, shopped at our Hope Chest Resale Store, and made breast cancer patients aware of our grant opportunities. We are especially proud of how we have exceeded our 2025 goals, providing 386 patients much needed grants. Find the Annual Impact Report link below.

LOOKING BACK

This year the Hope Chest Foundation is celebrating 25 years as a foundation, and we will be sharing flash-back moments in upcoming newsletters.

Did you know we had other Hope Chest Resale Stores? Currently the Hope Chest Resale Store in Wayzata/Navarre has been operating since 2002. There was a St. Paul store operating from 2010-2014, the Bloomington store from 2014-2018, and a pop-up resale store in Eden Prairie in 2018.

thank you

"The grant I got helped me to pay my mortgage when I couldn't while receiving chemo. The financial assistance was greatly appreciated. Not having to worry about getting bills paid was also really helpful."
